MASTER PLAN STEERING COMMITTEE

FEBRUARY 17, 2010

MINUTES

Chairperson, Paul Novak called the meeting to order at 7 PM. The following committee members were present: Louis Dvorak, Mike San Miguel, Marilyn Carr, Mary Ann Wardlaw, Sandra Booth, Bob Eckblad and Paul Novak. Also Larry Wick from the P. & Z. was present. The minutes from the January 19th, 2010 meeting were read and approved by motion of Bob Eckblad and seconded by Sandra Booth.

It should be noted that the meeting was attended by Chairman Larry Wick from the P. & Z. Also in attendance were Mayor Minnet, Commissioners Clotney, Dodd and Silverstone.

Chairperson, Paul Novak gave a summary of where things now stood as far as the El Mar Project; Pathways eliminated, keep the islands as "green" as possible and make a decision to do the entire street, do what the commission already voted to do or decide on another plan.

Commissioner Clotney outlined the basics for receiving a grant from Stimulus money that she felt would be available in the near future. She also made reference to the "Special Meeting" to be held after this meeting to vote on whether the Commission would approve going for the grant. Various aspects of the project such as lighting, landscaping, sculptures, crosswalks and irrigation were discussed by the committee and the public. Mr. Jerry Goldman, a lighting specialist, spoke about various ways lighting could be done – conventional, LED (turtle friendly) and with the possible help of FP & L. It was decided that our focus would be to concentrate on doing landscaping, lighting and irrigation in the islands and to proceed to try and apply for the grant that Commissioner Clotney proposed. A motion was made by Bob Eckblad and seconded by Marilyn Carr to do the latter. Dianne Boutin presented a small gift to each committee member for their services rendered in the last two years. We thank her for that.

The next meeting of the MPSC will be held on March 16, 2010 at 7 PM in Jarvis Hall
